Programmert areal (areal i parentes): Rommets planlagte areal slik det er programmert innenfor arealrammen for å ivareta rommet funksjon.

Prosjektert areal (areal uten parentes): Rommets tegnede areal slik det er innplassert og tilpasset det enkelte bygg. Det prosjekterte arealet kan derfor avvike noe fra programmert areal, men skal fortsatt ivareta rommets funksjon.

Overmøblerte rom I følgende rom kan romprogrammet ikke oppfylles innenfor romgeometrien og romstørrelsen.
