

English-speaking parents who have children with disabilities;

Welcome to «Starthjelp» 2020

The goal of the «Starthjelp»-course is that parents who have children with disabilities aged 0-18yrs can gain new knowledge about their everyday life as a family and find support by meeting other parents who are in a similar situation.

This is a day-course in English:
The 3rd of December 2020 from 09:00 – 15:00.

Topics we will cover are:

The Norwegian system: Who helps with what?
The value of being part of voluntary organizations
Thriving together: Parenting and looking ahead

This will be a DIGITAL COURSE: Once you have registered, you will receive a link and password to access the digital course.

You can apply for compensation for absence from work (*Opplæringspenger*) from NAV. Let us know if this is relevant to you.
Everyone will receive a course certificate.

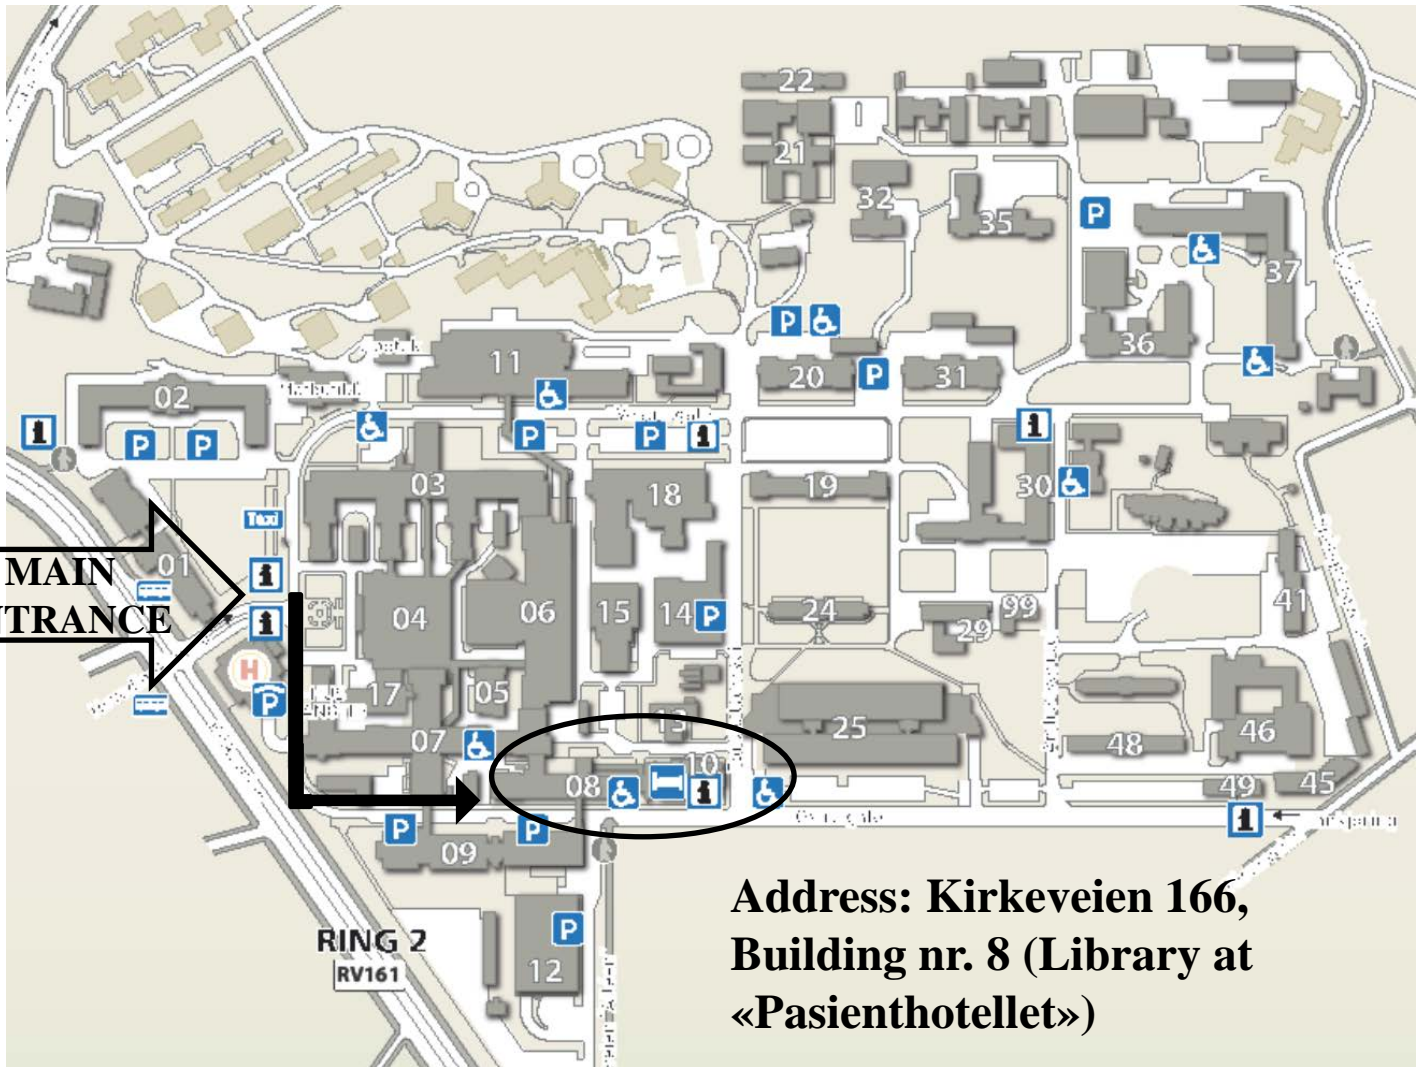

Registration deadline date is 26th of November 2020.

Registration sends to Daniela Knutsen, E-mail danikn@ous-hf.no
